

Rijeka, 8th December 2022

Based on Article 26 of the Statute of the Faculty of Dental Medicine, the Faculty Council at its session held on 8th December 2022 adopted the following

DECISION

I.

The conditions under which students are allowed to continue their studies after an interruption are approved. The conditions for continuing studies after the interruption are as follows:

A student who wants to continue his/her studies after an interruption for which no suspension of student obligations has been established must submit an application for continuation of studies to Student Services by 15th September of the current year.

A student can continue studying at the same study program according to the valid study program and implementation plan, with the condition of passing the exam, even if there are differences between the study program he/she attended and the program he/she is continuing, and in accordance with the valid provisions of the Regulations on Studies of the University of Rijeka and the Law on Higher Education and Scientific Activity (NN).

The decision on continuing studies is made by the dean.
