(Student's Full Name)

DECLARATION ON THE USE OF AI TOOLS IN THE PREPARATION OF THE PAPER

I hereby declare that I am aware that a student may not submit content generated using artificial intelligence (AI) tools without disclosing the manner in which such tools were used, and that *(circle the appropriate option)*:

1. I did not use AI tools in the preparation of this paper.
2. I used AI tools in the preparation of this paper and acknowledge my responsibility for the content generated with the assistance of AI. I used such tools in the following manner *(circle all applicable options)*:
 - a) I consulted my supervisor regarding the use of AI tools.
 - b) I used AI tools transparently, in accordance with ethical standards, legal requirements, and with due respect for privacy and intellectual property rights.
 - c) I did not provide sensitive or private data when submitting prompts to AI tools.
 - d) I critically evaluated and verified the results and sources generated by AI tools.
 - e) I clearly indicated in the paper which parts were generated using AI tools.
 - f) I described the manner in which AI tools were used in the methodology section of the paper.
 - g) I included the prompts and outputs resulting from the use of AI tools (record of interaction with the AI tool).
